Dear colleague,

I would like to thank you and the President of the Senate of the Republic of Poland, Mr. Bogdan Borusewicz, very much for your proposals on the Interparliamentary Conference on the Common Foreign and Security Policy including the Common Security and Defense Policy.

The Bundesrat takes note of these proposals defining the task and the structure of this new conference but will not give any further comment. Within the next weeks, the Bundesrat is going to come to an understanding with the German Bundestag about the composition of the German delegation.

With the expression of my highest esteem
